## Selling Choice of Lots 28-30

### 3 Full Sisters out of Mr. V8 191/7 and Miss RB 831/4 "Miranda".

Take advantage of this opportunity to purchase the pick of our freshest genetics and some of the best calves of the Fall 2016 calf crop. All three heifers (227/6, 229/6, 245/6) are built very similar all being structurally sound, deep ribbed, heavy muscled, level made, big boned all in a feminine package. Not only are the heifers halter broke and have the look to lead off a class but they are backed by some of the most proven and popular genetics in the breed today. The sire to these heifers certainly needs no introduction as he was the 2014 Reserve International Champion and in his first calf crop he produced Mr. V8 604/7 "Man of Steel" that was named the 2017 International Champion. We were very fortunate to have purchased one of the limited semen packages on Mr. V8 191/7 as the price has only escalated bringing over \$3,000/straw in the recent V8 Online Sale. Not only is the top side of this pedigree exciting but so is the dam, Miss RB 789/51. As you have reviewed our offering you have seen the impact that Miss RB 789/5 and her 5 clones have played in our program. Miss RB 789/51 was our very first clone of the 2008 International Reserve Senior Champion and has been a phenomenal producer with 111 calves born in 2016.

We like things about each of the heifers so we decided to offer the pick and let you select the one that you like best!

The buyer will be purchasing full possession and 50% ownership. RB Cattle is retaining a 50% breeding interest consisting of 2 IVF procedures per year after the heifer's show career.

**RB Cattle is retaining 50% Breeding Interest consisting of 1 yearly conventional flush or 2 IVF sessions. Show rights and possession thru her show career will go to the buyer. Possession will go back to RB Cattle after her show career. The first natural calf will be the buyers, with all other natural calves going to RB Cattle to cover board costs. THE CONDITIONS OF THE BREEDING INTEREST OF THE SHOW HEIFERS IS FOR ALL 4 LOTS**
