Texas Hereford Association

31st Annual ABBA National F1 and TBA Brahman Female Sale

Dedicated to **Robbie Hamilton**

The American Brahman Breeders Association is proud to dedicate this 2018 sale to renowned F1 breeder and friend of the Brahman breed and F1 program, Robbie Ray Hamilton.

Robbie is one of the very earliest participants in the ABBA F1 Program that began in 1979. Robbie recognized early on that “the better the parents, the better the F1” as he strived to produce and sell the very best.

Robbie’s attention to detail in selecting his cows and the use of exemplary ABBA Brahman bulls has allowed him to produce some of the very best F1 Brahman x Hereford in the ABBA Program. His H&M Cattle Company F1 females became, and continue to be, the most sought after F1 Females.

Robbie participated in every National F1 Sale to date and has sold F1’s in the prestigious stock show sales of Fort Worth, San Antonio, and Houston. H&M Cattle Company is synonymous with “the very best F1’s”.

Robbie has served on ABBA’s F1 Advisory Committee and has been a speaker at nearly every F1 Field Day for many years.

Thank you, Robbie Ray Hamilton, for your many contributions to the success of the ABBA F1 Program and to the U.S. beef industry.

Presented on March 17, 2018, at Caldwell Livestock Commission; Caldwell, TX
